- Module 1: Introduction to PowerPoint
- Module 2: Slide Design Fundamentals
- Module 3: Working with Visuals
- Module 4: Text & Multimedia Integration
- Module 5: Animation & Interactivity
- Module 6: Collaboration & Advanced Features
- Module 7: Presentation & Delivery
- Module 8: Final Project

ADOBE SUITE OVERVIEW

- Module 1: Introduction to Adobe Creative Cloud
- Module 2: Adobe Photoshop – Image Editing for Learning
- Module 3: Adobe Illustrator – Vector Graphics & Icons
- Module 4: Adobe InDesign – Layouts & Publishing
- Module 5: Adobe Premiere Pro – Video Editing for Learning
- Module 6: Adobe After Effects – Motion Graphics
- Module 7: Adobe XD – Prototyping & Interactive Design
- Module 8: Adobe Acrobat – Interactive PDFs
- Module 9: Final Integration Project

ADOBE ILLUSTRATOR

- Module 1: Getting Started with Illustrator**
- Module 2: Drawing & Shapes**
- Module 3: Color & Appearance**
- Module 4: Working with Text & Typography**
- Module 5: Advanced Drawing & Illustration**
- Module 6: Working with Images & Effects**
- Module 7: Layout & Composition**
- Module 8: Branding & Identity Design**
- Module 9: Advanced Techniques & Workflow**
- Module 10: Final Project & Portfolio Development**

ADOBE PHOTOSHOP

- Module 1: Introduction to Photoshop**
- Module 2: Working with Layers**
- Module 3: Selection & Transformation Tools**
- Module 4: Color & Painting**
- Module 5: Image Editing & Retouching**
- Module 6: Text & Typography**
- Module 7: Filters, Effects & Compositing**
- Module 8: Design for Digital & Print**
- Module 9: Advanced Photoshop Techniques**
- Module 10: Final Project & Portfolio**

ADOBE PREMIERE

- Module 1: Introduction to Video Editing & Premiere Pro**
- Module 2: Basic Editing Workflow**
- Module 3: Transitions & Motion**
- Module 4: Working with Audio**
- Module 5: Titles & Graphics**
- Module 6: Color Correction & Grading**
- Module 7: Effects & Advanced Editing**
- Module 8: Integration & Workflow**
- Module 9: Exporting & Delivery**
- Module 10: Final Project & Portfolio**

ADOBE AFTER EFFECT

- Module 1: Introduction to Motion Graphics & After Effects**
- Module 2: Working with Layers & Keyframes Text &**
- Module 3: Shape Animation**
- Module 4: Effects & Presets**
- Module 5: Motion Graphics for Branding**
- Module 6: Working with 3D & Cameras**
- Module 7: Compositing & Visual Effects**
- Module 8: Audio & Motion Sync**
- Module 9: Rendering & Workflow Integration**
- Module 10: Final Project & Portfolio Development**

ADOBE INDESIGN

- Module 1:** Introduction to InDesign
- Module 2:** Working with Pages & Master Pages
- Module 3:** Text & Typography
- Module 4:** Working with Images & Graphics
- Module 5:** Color & Design Elements
- Module 6:** Layout & Composition
- Module 7:** Interactive & Digital Publishing
- Module 8:** Advanced Tools & Workflow
- Module 9:** Exporting & Output
- Module 10:** Final Project & Portfolio

STORYLINE (AUTHORING TOOL)

- Module 1:** Introduction to eLearning Authoring Tools
- Module 2:** Working with Slides & Layouts
- Module 3:** Interactivity Basics
- Module 4:** Advanced Interactivity
- Module 5:** Assessments & Quizzes
- Module 6:** Media & Animations
- Module 7:** Accessibility & Usability
- Module 8:** Publishing & LMS Integration
- Module 9:** Workflow & Collaboration

CAMTASIA (AUTHORING TOOL)

- Module 1:** Introduction to Camtasia
- Module 2:** Screen Recording Essentials
- Module 3:** Editing Basics
- Module 4:** Enhancing Videos with Effects
- Module 5:** Audio Editing
- Module 6:** Interactivity & Quizzing
- Module 7:** Advanced Editing Features
- Module 8:** Publishing & Sharing
- Module 9:** Workflow & Best Practices
- Module 10:** Final Project & Showcase

CAPTIVATE (AUTHORING TOOL)

- Module 1:** Introduction to Adobe Captivate
- Module 2:** Slides, Masters & Themes
- Module 3:** Screen Recording & Software Simulations
- Module 4:** Interactivity Basics
- Module 5:** Variables & Advanced Actions
- Module 6:** Assessments & Quizzes
- Module 7:** Multimedia & Animations
- Module 8:** Accessibility & Responsive Design
- Module 9:** Publishing & LMS Integration
- Module 10:** Final Project & Portfolio

LEARNING TIME

3 DAYS A WEEK

1.5 HOURS EACH DAY

**WEEKEND BATCHES
